

Monte Rio Variety Show

For the last ten years the Russian River Historical Society has been invited to staff a table at the Monte Rio Variety Show. It's always a pleasure to be invited, see old friends, and make new ones, sharing the history of this unique and diverse area and being entertained by an incredible assortment of talented people underneath the redwoods.

Pictured below are John Schubert, Vice President & Historian and Sarah Brooks, RRHS Director.

Photo was taken at the 100th Anniversary of the Monte Rio Variety Show July 28, 2011.
